CANCELLATION AND MISSED APPOINTMENT POLICY

A therapeutic relationship is built on mutual trust and respect. As such, every effort will be made to be on time for your scheduled appointment, and ask that you give the same courtesy of a call or text when you are unable to keep your appointment. Please read, sign, and date the cancellation and missed appointment policy below.

A cancelled appointment hurts three people: you, your therapist, and another client who could have potentially used the time missed. Therapy sessions are scheduled in advance and are a time reserved exclusively for our clients. When a session is cancelled without adequate notice, we are unable to fill this time slot by offering it to another current client, a client on the wait list, or a client with a clinical emergency. ***Without a cancellation fee policy in place, your therapist will lose the opportunity to schedule another client if you late cancel or do not show up.***

Clients can cancel or reschedule an appointment anytime, if they provide 24 hours' notice. Rescheduled sessions must fit the therapist's schedule first and foremost. 3 non-consecutive rescheduled appointments may also result in discharge or being placed back on the waitlist as clients are provided with scheduling options based upon current openings offered by their assigned therapist (these are usually scheduled the same day/time weekly). If you cancel an appointment with less than 24 hours' notice, or fail to show up, you will be charged the total fee for the appointment (cash pay clients), or you will be reminded of this policy and given notice of a possible discharge from sessions (3 non-consecutive no-shows or late cancellations).

Some practices have a 48-hour policy. Some even have a 72-hour policy. ***Ours is 24 hours, and we are firm at 24 hours. For Saturday or Sunday appointments, 48-hour notice is required.*** *Our cancellation policy in not a penalty or a punishment. Most clients understand this. Very rarely, there will be a client who will feel that they are being punished when they are charged a late cancellation fee. We want to make sure that you don't feel this way, if someday you miss an appointment.*

It is likely that at some point you might forget about an appointment, or something will come up in your schedule that will result in you missing an appointment. Maybe you'll need to work late or maybe you'll get a sudden onset of the flu. Maybe your kids will have doctor's appointments, or your car will break down, or something unavoidable will come up. We are not upset with clients when they miss an appointment. We understand life happens. In return, our clients understand that scheduling an appointment with one of us is like buying a ticket to an

event. If you miss the event, it doesn't matter why you missed it, or even if it was your first time, you can't turn in your tickets for a refund.

You can cancel your appointment by calling, texting, or emailing your therapist. If you are more 15 minutes late to your appointment time, it will be treated as a late cancellation and this policy will apply. ***Being 15 minutes or more late to your appointment WILL result in the session being cancelled (cash pay AND insurance clients), meaning your session will not be held even if you show up 20 minutes into the session.*** *For insurance clients, it is important to note that our therapists have pre-approved billing codes based upon the minutes within a session held. After 15 minutes, they cannot bill the codes within insurance, resulting in the full cancellation of the session as billing cannot be completed.*

Clients who are unsure if they can commit to therapy appointments scheduled for them should discuss possible referral options with the therapist or administrative team, OR ask to be provided with an alternative scheduling option (biweekly or even monthly sessions).

Because your therapist believes that the responsibility for your care is on both the client and the therapist, we agree that if you are double-booked for an appointment or if we miss an appointment without notice you will receive a FREE therapy session.

PLEASE INITIAL THE FOLLOWING

_____ **1. If you are unable to keep a scheduled appointment, please contact your therapist with at least 24 hours in advance** (If your appointment is 1pm on Tuesday, notice should be provided no later than 1pm on Monday). **For Saturday or Sunday appointments, 48-hour notice is required.**

_____ **2. For our cash pay clients: If you fail to notify your therapist with a minimum of 24 hours in advance of the cancellation and you miss your appointment, you will be charged the full fee for the session.**

_____ **3. At the time of cancellation, another appointment will be offered based upon the therapist's scheduling availability.**

_____ **4. Three (3) missed appointments - they need not be consecutive - will result in an administrative discharge from the practice OR placement back on our waitlist. For ABA clients, 10 hours of cancelled or missed appointments during an authorization will result in discharge of services.**
